

Winston & Strawn Sponsors Virtual Event Dedicated to Advancing Women in Legal Industry

DECEMBER 2, 2021

Winston & Strawn is a proud co-sponsor of the virtual 2021 Firm-to-Firm Conversation: Meeting Immediate Challenges to Advancing and Retaining All Women.

Taking place on December 2, this virtual gathering is the only annual event where a broad representation of leaders come together for intensive conversation and significant focus on all women. This high-impact meeting has been presented in many formats over the past 15 years, and this year, it will be a facilitated, discussion-only, virtual format for one senior partner plus one influential professional staff member across a wide spectrum of law firms.

Both small group discussions, including a segment organized by firm size, and full group conversations will occur during the 4-hour program. We invite you to join us to discuss what we know will be industry-altering possibilities.
