

Charlie Papavizas Provides a U.S. Market Perspective at the 2021 Offshore Wind Journal Conference

NOVEMBER 16, 2021

On November 16, Charlie Papavizas, Winston & Strawn Partner and Chair of the firm's top-ranked maritime and admiralty practice, will present virtually at the [Offshore Wind Journal Conference](#) being held in London. This year, the Offshore Wind Journal Conference will focus on the fast-growing demand for offshore wind vessels and the key technical trends in vessels for the offshore wind market. Winston is a proud sponsor of the event.

Charlie will lead a discussion titled "The U.S.: A Case Study – A Market with Unique Challenges and Requirements." During his presentation, Charlie will address the following questions:

- How do the demands of the U.S. market differ from those elsewhere?
- What do U.S. owners expect of a vessel?
- What does the Jones Act really mean for the U.S. offshore wind market?
- Where will American offshore wind vessels be built and where will designs come from?
