

SPACs Go Global: Legal Insights and Market Trends

NOVEMBER 30, 2021

Participants gained insight into the use of Special Purpose Acquisition Companies (SPACs) within Europe, Asia, and Latin America and the comparative opportunities and challenges of different regulatory frameworks in key jurisdictions.

This virtual panel was hosted on November 30 by top legal practitioners from the international law firm of Winston & Strawn LLP and the CEO/Founder of SPACInsider.

For more information about the topics and speakers, please visit [SPACs Go Global: Legal Insights and Trends](#).
