Winston & Strawn Ranked a Top Issuer Counsel for U.S. CLOs by *Asset-Backed Alert*

JANUARY 14, 2022

Winston & Strawn's Fund Finance practice was ranked fifth as issuer counsel for CLOs in 2021, moving up from their seventh-place ranking in 2020.

Our CLO team advises clients in structuring, formation, diligence, warehousing, risk retention, and other regulatory compliance, and provides ongoing portfolio support in connection with virtually all types of CLOs. The types of CLOs include open market broadly syndicated CLOs, private middle-market structures, long-term warehouses, and other structured funding facilities.

Winston's CLO team understands both CLO and warehouse documentation with a depth matched by very few firms. We have been deeply involved in this asset class since its inception, and our attorneys have crafted and shaped many of the structures and document forms used today.
