

## Winston Team Recognized in Litigator of the Week Column

MARCH 11, 2022

A Winston & Strawn team was highlighted for their notable win in *The American Lawyer's* [Litigator of the Week](#) column on March 11, 2022.

The attorneys scored a major appellate reversal for Cox Communications. In October 2021, Cox Communications, Inc. retained Winston & Strawn to represent it in an appeal to the Delaware Supreme Court following a post-trial adverse judgment against Cox by the Delaware Court of Chancery in an action Cox filed against T-Mobile relating to Cox's plan to launch a mobile services platform in partnership with Verizon.

On March 3, 2022, the Delaware Supreme Court issued a decision in favor of Cox Communications, Inc., reversing the Delaware Court of Chancery's decision in *Cox v. T-Mobile*, vacating the injunction against Cox, and remanding the case to the Court of Chancery for it to determine whether Cox and T-Mobile have discharged their obligations to negotiate in good faith as required by Section 9(e) of the Settlement Agreement.

The Winston team brought in to handle the appeal was Matthew DiRisio, Michael Elkin, and Michael Stern.
