

## Winston Partners Profiled in 2022 *L.A. Banking and Finance: Trends. Updates. Visionaries.* Magazine

MARCH 28, 2022

Winston & Strawn Partners Francisco Flores and Hao Huang were recently profiled in the 2022 edition of *Los Angeles County Banking and Finance: Trends. Updates. Visionaries.* The second edition of this annual publication, the magazine shines a spotlight on trusted financial and banking professionals who routinely rise to meet ongoing challenges and help their clients secure financial security. Francisco and Hao earned a spot on this list not only because of their professional accomplishments but also their outstanding leadership skills and positive impact on their respective communities.

In addition to highlighting visionaries, the publication presents a collection of informative articles to provide a deeper dive into current, changing, and upcoming trends and updates.

You can read the publication and learn more about the honorees [here](#).
