

Adrien Daifuku

Associate

Paris

+33 1 53 64 81 15

Adrien focuses his practice on a wide range of corporate transactions, with a particular emphasis on mergers and acquisitions.

Adrien is an associate in the Corporate/M&A practice department of the Paris office. He advises international and domestic clients on a broad range of corporate transactions and regulatory matters.

Prior to joining Winston & Strawn, Adrien completed several traineeships in international law firms and in companies from the financial sector.

He is fluent in English and French.

Recent Experience

Winston advised Osmosun's initial public offering on Euronext Growth.
