Winston & Strawn's Miami office opened in 2022 and represents the firm's largest expansion in several years. Located in the heart of the city's Financial District, the office launched with a strong team of transactional and litigation partners from prestigious law firms operating in South Florida. Our Miami office leverages the area's status as a critical nexus point for banking and international trade with the United States, Europe, Latin America, and other

parts of the world. Our attorneys have the cultural fluency and local knowledge necessary to work seamlessly with international clients, particularly those with ties to Latin America.

Our Miami office is dedicated to expanding access to opportunity through early, meaningful engagement with law students.

SUMMER ASSOCIATE PROGRAM

The Miami office provides Summer Associates with formal hands-on training through attorney-led workshops that cover legal writing, corporate negotiations, and arguing a motion. In addition, Summer Associates gain in-depth insights into the firm's Transactions and Litigation Practices through developing working relationships with the attorneys in the office, as well as by attending Practice Group lunches. The Miami office also hosts several summer program social events, which have included a Bowling night at Lucky Strike, an Inter-Miami Soccer Game, and an End of Program party hosted by the Summer Chair. It's the perfect balance of learning, networking, and unforgettable experiences!

“Winston fosters a collaborative and inclusive culture where innovation and deep connections thrive. Our Miami office ensures that summer associates feel welcomed from day one through personalized mentorship programs and hands-on experiences.”
