

Paula Hinton Speaks at ABA's 2022 Litigation Section Annual Conference

MAY 4, 2022

On May 4, Winston & Strawn Partner Paula Hinton spoke at the 2022 Litigation Section Annual Conference in Miami, Florida, in a session titled "The Ethical Use of Expert Witnesses."

The presentation explored the ethical issues related to the use of expert witnesses in dispute resolution. Topics included:

- Rules of professional conduct applicable to presenting witnesses generally
- How to ethically prepare and use an expert witness
- Interacting with your opponent's experts
- The difference between consulting experts and testifying experts, and implications with respect to discovery
- The ethical and practical constraints on expert witnesses themselves, particularly when the expert is an attorney

The [ABA Litigation Section Annual Conference](#) is the premier event for litigators and brings together top litigation professionals nationwide to discuss timely legal issues and the latest in trial advocacy, litigation strategy, and case management.
