

A Comprehensive Guide on Non-Fungible Tokens (NFTs): Managing Potentials and Perils

MAY 24, 2022

On May 24, Winston & Strawn Partner Mike Tomasulo will present a webinar with The Knowledge Group, “A Comprehensive Guide on Non-Fungible Tokens (NFTs): Managing Potentials and Perils.”

The webinar will provide a comprehensive overview of NFTs, including the risks and significant challenges surrounding NFT markets. Speakers will also offer insights into the opportunities and potential legal risks when investing in NFTs.

Other key topics will be:

- Best practices in operating in the NFT Marketplace
- Practical Tips to Avoid Pitfalls
- What the future holds for NFTs
