

## *Asia Business Law Journal's Japan Outbound Investment Guide*

MAY 19, 2022

While the U.S. remains a top destination for foreign investment, certain laws and regulations create challenges for foreigners seeking to conduct business there.

Leaders of Winston & Strawn's Antitrust Practice co-authored the article "Compliance Challenges for Foreign Investment in the U.S." featured in the *Asia Business Law Journal's Japan Outbound Investment Guide*. The article discusses some of the key challenges companies face when investing in the U.S., and certain compliance risks to consider.
