

Winston & Strawn Named a Regional Firm to Watch by *India Business Law Journal*

AUGUST 5, 2022

Winston & Strawn was named a Regional Firm to Watch by *India Business Law Journal*, a leading monthly magazine on developments in the law and legal market in India. The recognition is the result of the publication's 16th annual survey to determine the top foreign law firms for India-related work.

India Business Law Journal credited Winston's capabilities in the Indian market to the firm's global presence and representation of Investcorp India (a private equity firm targeting high-growth Indian industries) in its IPO.
