

Winston Sponsors, Speaks at ACI's 27th Annual Drug & Medical Device Litigation Conference

DECEMBER 6-7, 2022

Winston & Strawn is a proud sponsor of ACI's 27th annual Drug & Medical Device Litigation Conference taking place December 6-7, 2022, at the Marriott Marquis hotel in New York, NY. Considered the life sciences industry's premier product liability conference, the Drug & Medical Device Litigation Conference brings together leaders in the industry to explore the current product liability landscape and predict what's next on the horizon.

On December 7, Partner Sharon Desh will speak on a panel titled "Lessons Learned from this Year's Top MDLs: Key Defense Strategies from 3M Ear Plugs, Opioids and Zantac MDLs," which will provide an in-depth analysis of the year's biggest and most complex MDLs. Panelists will analyze the unique nuances of the 3M Ear Plug, Opioids and Zantac MDLs, and provide insights on each of their:

- Distinctive litigation challenges
- Effective trial tactics
- Significant macro issues
- Notable verdicts, settlements, and judicial rulings
- Lessons learned that will be useful to practitioners going forward
