## Winston Attorneys Recognized in Inaugural Edition of the *Lawdragon* 500 U.S. Leading Energy Lawyers

MARCH 17, 2023

Eight Winston & Strawn partners have been recognized in the 2023 *Lawdragon* 500 Leading U.S. Energy Lawyers in multiple categories. This year marks the outlet's inaugural edition of the report, celebrating the energy sector's outstanding elite advisors who bring remarkable achievements and backgrounds to their practice.

Winston's recognized attorneys include:

- Jonathan Birenbaum – Renewable Energy & Natural Resources Transactions
- Mike Blankenship – Energy, including Renewable Transactions
- Robine Grant – Energy Litigation
- Paula Hinton – Energy Litigation
- Larry Murphy – Energy Transactions and Corporate
- Michael Murphy – Energy Litigation
- Mike Pikiel – Energy, including Renewable Transactions
- LeElle Slifer – Energy Litigation

*Lawdragon* selected its honorees following a long-honed process combining journalistic research, nominations, and vetting by peers.
