

Will Turner

Partner

Miami

+1 305-910-0541

Chicago

Will advises public and private companies operating in the finance and technology industries on M&A, venture capital investments, and commercial transactions. He is described by digital assets clients as “hands down the best crypto commercial lawyer.”

Will represents U.S. and international emerging and established finance and technology companies in a wide range of transactions, including mergers and acquisitions, venture capital investments, product launches, distribution agreements, and financial services agreements. Deeply knowledgeable in U.S. securities and corporate governance laws and investment standards, he regularly advises clients in cross-border transactions occurring in the United States and abroad.

Will has extensive experience advising digital assets and blockchain clients in commercial transactions and product launches and is described by a client as “hands down the best crypto commercial lawyer.”
