

Terry Dee Featured as Litigator of the Week

APRIL 28, 2023

Winston & Strawn Partner Terry Dee was featured as Litigator of the Week by *The Am Law Litigation Daily* in the April 28, 2023 column.

This recognition stems from his role representing Motorola Mobility in a pair of wins for the company and other cellphone makers in a long-running string of cases claiming radiofrequency radiation causes brain cancer. In *Walker v. Motorola*, U.S. District Judge James Cain Jr. in Lake Charles, Louisiana last week largely sided with cellphone makers' federal preemption arguments. Then this week in *Murray v. Motorola*, D.C. Superior Court Judge Alfred Irving Jr. excluded all six of the plaintiffs' proposed causation experts.

The Winston & Strawn team was led by Terry Dee and included Associates Sarah Krajewski and Dion Robbins, and Of Counsel Rand Brothers.
