

Rodney L. Moore

Partner

Dallas

+1 214-453-6396

Rodney has over 35 years of experience representing public and private companies, private equity firms, and management teams in transactions and other corporate matters, primarily in the energy and infrastructure space.

Rodney represents private equity firms and public and private companies in M&A, joint venture, financing, and other commercial transactions across the energy spectrum, including in the traditional upstream and midstream sectors as well as in the evolving transition energy sectors such as hydrogen, renewable fuels, and carbon capture. Rodney also advises clients on corporate governance matters, as well as transactional and corporate matters in restructurings and chapter 11 reorganizations.

Key Matters

Some of the experience represented below may have been handled at a previous firm.

Abro Holdings

- Establishment of platform company to develop hydrogen fuel technology and hydrogen fuel production facilities, and licensing of hydrogen fuel technology

Aethon Energy

- Acquisition of northwest Louisiana natural gas assets from QEP Resources, Inc.
- Together with RedBird Capital Partners, in the acquisition of natural gas-producing assets in east Texas and northern Louisiana from SM Energy Company
