

AIMA Digital Assets Conference 2023

MAY 11, 2023

Winston & Strawn was a proud sponsor of the AIMA Digital Assets Conference, which took place on May 11, 2023, in New York City. The Alternative Investment Management Association (AIMA) is a global representative of the alternative investment industry; thanks to the hard work of Michelle Noyes and her team at AIMA, their Digital Assets Conference brings together over 200 investment managers, allocators, and industry professionals at the intersection of alternative investments and digital assets, to discuss trends and challenges in the industry related to operations, compliance, and regulation.

Partners Beth Kramer and Kim Prior attended the event. The conference included informative discussions about regulatory developments, counterparty risk, and tokenization of real assets.

Beth and Kim counsel investment managers and advisers on fund formation and regulatory matters in the digital assets space.
