

# Winston Transactions Chair Leads Discussion on State of the Market for Private Equity

JUNE 7, 2023

Winston & Strawn Transactions Chair Eva Davis moderated a panel hosted by ACG 101 titled “Current State of Private Equity and Middle-Market M&A,” which generated insightful exchanges on private equity and M&A trends, deal volumes, deal structuring, valuations, availability of leverage, and industry-specific dynamics.

“Winston regularly monitors middle-market deal trends, and I enjoyed hearing insights from other industry leaders about the opportunities and challenges they are facing in the current M&A and leverage market. The conversation left the audience, the other panelists, and me with invaluable and timely private equity insights,” said Eva Davis.
