

Slack, Teams, WhatsApp – Oh My – Discovery of Newer Data Types

JUNE 21, 2023 | 1 PM ET

Winston & Strawn's esteemed e-discovery attorneys John Rosenthal and Jason Moore discussed the evolution and expansion of virtual collaboration platforms in the wake of the COVID-19 pandemic, as well as the legal implications for e-discovery law.

This session examined the challenges presented by newer data sources, including Slack, Microsoft Teams, Webex, WhatsApp, and others. It also explored practical aspects of the preservation, collection, review, and production of these systems. Panelists discussed how you can take proactive steps to prepare for this revolutionary technology and minimize risk and costs to your clients and business.

CLE credit was available to program participants. Winston & Strawn LLP is an accredited provider of CLE in California, Illinois, New York, and Texas.
