Saishruti (Sai) is a patent litigator with wide-ranging experience representing both plaintiffs and defendants in all stages of intellectual property litigation. She has represented industry-leading and Fortune 500 companies in patent litigation disputes involving a range of technologies, including computer technology, medical devices, and Wi-Fi networking infrastructure equipment.

As a litigator, Sai has experience taking and defending deposition, briefing, and arguing motions, and managing discovery in complex, multi-patent lawsuits. Sai's patent litigation experience includes representing industry-leading and Fortune 500 companies in patent litigation disputes involving a range of technologies, including computer hardware and software technology, medical devices, telecommunication, and Wi-Fi networking infrastructure equipment. She also has commercial litigation experience and has handled disputes involving product liability, tort, breach of contract, and real estate cases.

Prior to joining the firm, Sai was an associate at an international law firm and a judicial intern under Chief Justice of India, the Honorable Justice Jagadish Singh Khehar.

Activities

Sai is a member of the South Asian Bar Association
