

Tom Walsh Contributes to “InDepth Feature: Litigation & Alternative Dispute Resolution 2023”

JUNE 13, 2023

Winston & Strawn Partner and Complex Commercial Litigation Practice Co-Chair Tom Walsh authored the United States chapter of “InDepth Feature: Litigation & Alternative Dispute Resolution 2023.” In the chapter Tom provides insights on key trends in commercial disputes in the United States, advice for companies implementing an effective dispute resolution strategy, and the issues and challenges expected for commercial disputes in the U.S. in the coming months.

Published by *Financer WorldWide*, “InDepth Feature: Litigation & Alternative Dispute Resolution” canvases the opinions of leading professionals around the world on the latest trends in litigation and alternative dispute resolution.
