JULY 5, 2023

Winston & Strawn Miami Office Managing Partner Enrique Martin has been named to the inaugural 2023 Florida Trend Legal Elite Notable Managing Partners list.

The list recognizes managing partners from small and large legal firms across Florida whose responsibilities range from setting the corporate vision and long-term growth strategies to overseeing day to day personnel and administrative operations. Nominations were vetted by Florida Trend and the most noteworthy managing partners were selected for their outstanding leadership and mentorship roles.

Winston's Miami office opened in May 2022, where Rick helped gather the team he now manages. He has represented clients in the U.S., Europe, Asia, and Latin America in connection with their domestic and cross-border mergers and acquisitions, joint ventures, financings and other complex corporate transactions, and has helped many Latin American and European companies establish and expand operations in the U.S.
