Winston & Strawn Partners Participate in Revelstoke Capital Partners Women's Leadership Summit on the Evolving Workforce

JUNE 20, 2023 - JUNE 22, 2023, 7:00 AM

Winston & Strawn was a co-sponsor of the Revelstoke Capital Partners Women's Leadership Summit.

Maria Kenny, an employee benefits and executive compensation partner based in New York, spoke on the topic of "How to Make an Impact with the Evolving Workforce," providing a thought-provoking exchange on new benefits requested by employees in the current landscape and the corresponding benefits being considered and adopted by employers. Maria also contributed valuable insight into current legal trends related to human capital such as discrimination claim levels, equitable pay disputes, and other key factors.

The keynote address was delivered by Karen Knudsen, CEO of the American Cancer Society.
