## Winston & Strawn Among the Top 15 Pro Bono Firms on *The American Lawyer's* Pro Bono Scorecard

JULY 12, 2023

We are pleased to report that Winston & Strawn remained one of the top 15 law firms in the United States on *The American Lawyer* 2023 Pro Bono National Scorecard, coming in at No. 14. Our international offices performed equally well, ranking No. 14 on the Global Scorecard. This is the fifth consecutive year that Winston has been a top 15 U.S. law firm for pro bono—a goal that is embedded in the firm's strategic plan.

Attorney participation is the bedrock of Winston's pro bono program and continues to drive our success, with Winston ranking No. 4 for the percentage of attorneys contributing a minimum of 20 hours in 2022.

The firm is grateful to everyone who helped Winston achieve this important goal. Your dedication to making Winston a great pro bono firm has a meaningful impact on the lives of our pro bono clients and in advancing social justice.

Congratulations and thank you to everyone who met the firm's goal of contributing 35 pro bono hours last year. Special thanks are also due to Winston's pro bono team, which is led by Greg McConnell and includes Ken Berry, Maria Kutnick, Rubi Conchas Lopez, Peter MacCarthy, Tara Moss, and Nareeneh Sohbatian.
