

RCG Global Services' Majority Recapitalization with Frontenac

NOVEMBER 2, 2021

Winston & Strawn LLP RCG Global Services (the Company), a global digital transformation consultancy providing product engineering, advanced analytics, and cloud services to Fortune 1000 enterprises, has completed a majority recapitalization with Frontenac, a Chicago-based private equity firm. RCG was previously majority owned by Eos Partners, L.P., a New York-based private investment firm. Financial terms of the transaction were not disclosed. RCG combines digital strategy consulting with modern engineering expertise to build innovative, digital solutions for complex business initiatives at blue-chip enterprises in the financial and insurance services, consumer services, and healthcare verticals. The Company's global presence includes six offices throughout the United States as well as development centers in the Philippines and India.
