

Revelstoke Capital Partners' Sale of ONsite Mammography

DECEMBER 29, 2020

Winston & Strawn LLP represented Revelstoke Capital Partners, a Denver-based private equity firm, in the sale of ONsite Mammography. Based in Westfield, Massachusetts, ONsite provides comprehensive, in-office imaging solutions to patients through partnerships with physician practices. ONsite enables physicians to offer high-quality patient care while also increasing patient convenience through an efficient delivery model that reduces healthcare costs. Revelstoke is a private equity firm formed by experienced investors who focus on building industry-leading companies in the healthcare and related business services sectors.
