

Q-Centrix®'s Acquisition of CHAMPS Oncology and Quantros® Regulatory Reporting Manager

MARCH 31, 2021

Winston & Strawn LLP represented Q-Centrix®, the leading source for clinical data management in health care, in its acquisition of software and services provider CHAMPS Oncology and in its acquisition of the Quantros® Regulatory Reporting Manager (RRM) software division. These events, coupled with the continued advancement of the Q-Apps® technology platform, a build-out of the Q-Centrix data warehouse, and earlier acquisitions, represent breakthrough progress in the realization of its' strategy—to help hospitals unlock the value of clinical data through the release of the industry's first SOC2 + HITRUST certified enterprise-class clinical data management platform. Providing the industry's first Enterprise Clinical Data Management (eCDM™) platform, Q-Centrix utilizes its market-leading software, the largest and broadest team of clinical data experts, an analytics and reporting data structure, and the best practices from more than its 1,000 hospital partners to curate meaningful, high-fidelity, complete, and secure clinical data. Its solutions address a variety of clinical data needs, including regulatory, cardiovascular, oncology, trauma, real-world data, and more.
