

Chart Industries' Acquisition of Sustainable Energy Solutions

DECEMBER 23, 2020

Winston & Strawn LLP represented Chart Industries, Inc. (Nasdaq: GTLS), a leading global manufacturer of highly engineered equipment servicing multiple applications in the energy and industrial gas markets, in its acquisition of Sustainable Energy Solutions, Inc., an energy solutions company focused on the development and commercialization of Cryogenic Carbon Capture™, a patented carbon capture technology that eliminates most emissions from fossil fuels while enabling better use of intermittent renewables through grid-scale energy storage.
