

Liberty Commercial Finance Investment from Copley Equity Partners

AUGUST 5, 2020

Winston & Strawn LLP represented Liberty Commercial Finance, a leading independent equipment lease and finance company, in its minority investment from Copley Equity Partners, a private investment firm focused on providing capital and resources to middle- market companies with strong growth opportunities. The investment by Copley, in conjunction with a new senior credit facility, will allow Liberty to significantly add to its direct funding capabilities while continuing to be a leader in syndicated originations. Terms of the transaction were not disclosed.
