

# Charger Investment Partners' Acquisition of Advanced Composite Products and Technology

DECEMBER 15, 2020

Winston & Strawn LLP represented Charger Investment Partners in its acquisition of Advanced Composite Products and Technology, Inc., a California-based manufacturer of highly engineered composite structures for defense, space, aviation, automotive, marine, industrial machinery, and subsea telecom applications. Based in Hermosa Beach, California, Charger Investment Partners is a private equity firm that invests in dynamic small and mid-sized companies primarily in the industrial, services, and consumer industries that can benefit from Charger's partnership and value enhancement expertise. Financial terms of the transaction were not disclosed.
