

# ACON Investments's Acquisition of Novipax

DECEMBER 1, 2020

Winston & Strawn LLP represented ACON Investments, LLC and its affiliates (ACON) in the acquisition of Novipax, a market leader in food packaging primarily focused on absorbent pads for fresh meat and poultry packaging in the United States. Headquartered in Oak Brook, Illinois, Novipax has a long history serving some of the largest protein processors, tray manufacturers, distributors, and grocery chains through its four manufacturing facilities in Pennsylvania, North Carolina, Mississippi, and California. ACON, headquartered in Washington, D.C., is an international private equity firm investing in North America, Latin America, and Europe.
