

GenNx360's Majority Investment in Whitsons Culinary Group

AUGUST 27, 2021

Winston & Strawn LLP represented GenNx360 Capital Partners, a New York City-based private equity firm investing in middle market business-to-business industrial and business services companies, in its majority investment in Whitsons Culinary Group, which leads the industry with its customized services, innovative programs, commitment to quality, focus on nutrition, local sourcing, and community support. Its services include school nutrition, residential and healthcare dining, prepared meals, and emergency dining. GenNx360's operational expertise and track record of building platforms will continue to drive Whitson's next phase of rapid growth. GenNx360's investment will enable Whitsons to focus on driving their mission of Enhancing Life One Meal at a Time™.
