

Citadel Defense Co.'s Acquisition by BlueHalo

NOVEMBER 5, 2021

Winston & Strawn LLP represented Citadel Defense Company, a developer of advanced counter-unmanned aerial systems (cUAS) technology utilized by customers within the Department of Defense and Intelligence Community, as well as civilian, commercial, and international markets, in its acquisition by BlueHalo, a leading provider of advanced engineering solutions and technology to the national security community. Citadel's cUAS capabilities coupled with BlueHalo's existing portfolio of proprietary technology will uniquely enable the company to deliver multi-modal, unified cUAS solutions that support the warfighter and protect critical infrastructure.
