

Blockfusion USA and Bit Digital Enter into a Mining Services Agreement

SEPTEMBER 7, 2021

Winston & Strawn LLP represented Blockfusion USA, Inc., a crypto data center operations and services company, in its strategic co-mining agreement with Bit Digital, a bitcoin mining company. Blockfusion will provide premises and services to Bit Digital for the operation of a 35 MW bitcoin mining system, using energy that is anticipated to be generated largely from zero carbon emission sources.
