

## Winston & Strawn Paris Recognized in *Décideurs* Guide to Health, Pharmaceuticals, and Biotechnology

DECEMBER 17, 2013

Winston & Strawn's Paris health practice has been highly recognized for the third year in a row by *Magazine Décideurs*, a publication specializing in strategy, finance, and law.

Winston & Strawn was recognized as a top tier law firm in the *Décideurs* 2013 Guide to Health, Pharmaceuticals, and Biotechnology in the following practice areas:

- Assistance to health/hospital cooperation institutions
- Competition and distribution regarding health and pharmacy
- Equity transactions, joint ventures and corporate
- Regulatory law regarding health, pharmacy and medical equipment

In addition, Paris managing partner [Gilles Bigot](#) received "High Notoriety" rankings for all these categories.
