

Outlook for Latin America M&A and Private Equity

SEPTEMBER 14, 2023

Winston & Strawn partner Nicholas Rodriguez was a featured panelist in a roundtable discussion titled “Outlook for Latin America M&A and Private Equity” by Expert Webcast. The discussion focused on the rebound of M&A and private equity markets in Latin America as emerging markets investors pull out of Russia and China and focus on the LatAm region. The panelists covered deal activity by country and industry sector, competitive advantages, corporate digital and technology transformation, transaction structures and capital availability, risk mitigation, and M&A insurance and dispute resolution.

Nick was recently appointed to the Board of Senior Advisors to Expert Webcast, a source of transactional and market intelligence covering corporate, M&A, restructuring, and finance topics empowering entrepreneurs, C-level executives, institutional investors, and advisers.
