

ClearCompany Sale to Gemspring Capital Management

SEPTEMBER 15, 2023

Winston represented ClearCompany, a Massachusetts-based provider of human capital management software, in its sale to Gemspring Capital Management, a Connecticut-based private equity firm. ClearCompany's complete Talent Management software platform offers a comprehensive suite of solutions to streamline talent acquisition, performance management, employee engagement, and analytics, with a primary focus on serving mid-market and enterprise businesses. ClearCompany supports a diverse base of more than 2,000 customers spanning nearly 50 distinct industry verticals.
