Winston partner Chris Murphy spoke the 27th Annual National Institute on Class Actions, hosted by the American Bar Association on October 19-20, 2023, in Chicago, IL. This conference featured important and relevant content, including insights from prominent circuit and district court judges and class action attorneys nationwide.

Chris's panel, titled "Class Action Settlements," examined recent federal appellate decisions rejecting class action settlements and the lessons that settling parties and their counsel might learn from them to help avoid having their class action settlements derailed after lengthy and expensive proceedings.
