

Winston & Strawn Ranked a Top 10 Pro Bono Firm by Law360

SEPTEMBER 26, 2023

Winston & Strawn is pleased to have achieved a top 10 ranking for law firms of our size in Law360's 2023 pro bono rankings.

Law360's pro bono rankings are based on three key factors: the percentage of attorneys who provide at least 50 hours of pro bono service, the percentage of attorneys who participate in pro bono activities, and the firm's average number of pro bono hours per attorney.

Winston achieved a 100% participation rate, with nearly 40% of attorneys contributing 50 hours or more. Additionally, the firm's attorneys contributed an average of 81.9 hours.

"We are extremely proud of Winston's longstanding culture of excellence and full participation in serving the public interest," said Greg McConnell, Winston's Senior Pro Bono Counsel.
