

Winston Certifies New Mental Health First Aid Responders

OCTOBER 26, 2023

Congratulations to the 22 Winston professional staff members who recently became certified Mental Health First Aid Responders. Each mental health responder completed an interactive workshop to learn how to recognize when a colleague or community member may be dealing with a mental health or substance-use issue and how to connect them with vital resources.

The following Winston professional staff members bring our roster of certified Mental Health First Aid and play a key role in supporting our firmwide culture of health and well-being:
