

Winston Attorneys Win Five Mondaq Thought Leadership Awards in the Outlet's Autumn 2023 Accolade Series

NOVEMBER 14, 2023

Winston & Strawn attorneys merited five Mondaq Thought Leadership recognitions during the outlet's Autumn 2023 award series. Three articles written by Winston attorneys won four awards in the Antitrust/Competition Law, Employment and HR, Technology, and Energy and Natural Resources categories. Partner Nicholas Rodriguez was also personally recognized as a Mondaq Thought Leading Author for Energy and Natural Resources in Brazil.

The Mondaq Thought Leadership Awards showcase the outlet's top authors and articles based on total readership between April and September 2023. The series showcases exceptional writers and their content across 17 countries and covers a range of relevant topics.

Winston's winning articles include:
