

Europe Webinar: Navigating the Present and Future of Class Actions

JANUARY 30, 2024, 4:30 PM - 5:30 PM

In recent years, there has been a rising trend of individuals coming together to collectively bring claims against large companies due to the introduction of new European procedural rules allowing for “collective actions.” Traditionally seen as a U.S. procedure, class actions are now flourishing in the UK and across Europe.

View this informative webinar designed to explore the current and future class action landscape in the UK, EU, and the U.S.

Subjects covered include:

- Key developments in class actions in 2023;
- Trends and insights for the year ahead; and
- Strategies for co-ordinating class action defense globally, and considerations relating to other jurisdictions.
