

Winston assisted the French leading investment fund in Tech & Digital private companies ISAI on the acquisition of a minority stake in DriveMe

JUNE 20, 2023

Winston assisted the French leading investment fund in Tech & Digital private companies ISAI on the acquisition of a minority stake in DriveMe, leading automotive digital logistic solution provider. ISAI is a pioneer in French Tech & Digital private investments co-founded in 2009 by successful Tech entrepreneurs. ISAI currently manages €550m of assets. Our team advised on all the transaction's aspects (negotiation of the documentation, tax structuring and financing).
