

Global Hydrogen Energy Completes Business Combination with Dune Acquisition Corporation

DECEMBER 21, 2023

Winston & Strawn represented Dune Acquisition Corporation, a special purpose acquisition company, in the completion of its previously announced business combination with Global Hydrogen Energy LLC, which seeks to be a leader in the sustainable energy transition as a next-generation industrial gas supplier. The combined company is named Global Gas Corporation, and its Class A common shares and warrants are expected to commence trading on the Nasdaq Capital Market under the new ticker symbols “HGAS” and “HGASW,” respectively, on or about December 22, 2023.
