

Winston Teams from Coast to Coast Raise a Record \$75,000+ to Battle Rare Cancers

MARCH 13, 2024

Winston teams, representing six U.S. offices, joined Cycle for Survival riders around the country to raise money to fund a cure for rare cancers. The six Winston teams raised \$60,878 this year. The Winston & Strawn Foundation contributed an additional \$15,000—bringing the grand total to \$75,878. This is the ninth year that Team Winston has participated in Cycle for Survival.

Since its founding in 2007, Cycle for Survival has raised more than \$350 million to help fund the battle to fight rare cancers. All of the money raised goes directly to Memorial Sloan Kettering and is used to fund research and clinical trials to cure rare cancers. All too often, people diagnosed with a rare cancer don't have an effective treatment option available to them.

Congratulations and thank you to the 64 WinSTRONG team members who pedaled for a cure, and special thanks to each of our team captains.
