

Congratulations to Paris Partner Grine Lahreche who Prevailed in a Charity Boxing Match to Support Children in Madagascar

JUNE 14, 2024

On June 13, Paris partner Grine Lahreche entered the boxing ring to test his mettle in the White-Collar Challenge and raise money for Papillons du Ciel—an association that supports the education of children on a tiny island in Madagascar. Grine vanquished his opponent with a knock-out in the first round!

The White-Collar Challenge is a charity boxing gala that featured 14 boxing matches between 28 amateur boxers who are lawyers, investment bankers, engineers, and consultants. We're not surprised at all that Grine, a former handball goalkeeper, triumphed over his opponent, the president of Yneia, in round one.

To celebrate Grine's resounding win in the boxing ring, the Winston & Strawn Foundation donated €15,000 to Les Papillons du Ciel—the beneficiary of the charity boxing match.

Congratulations, Grine and thank you for your commitment to helping others.
