

US Veterinary REIT Joins Kovitz Investment Group in Strategic Real Estate Venture

JULY 10, 2024

U.S. Veterinary REIT (USV REIT), a real estate investor founded by Thurston Group and AMO Partners, have announced that they will partner with Kovitz Investment Group Partners, LLC (Kovitz), an investment advisor headquartered in Chicago, Illinois, to jointly own and invest in quality veterinary medical office buildings across the U.S.

Founded in 2021, USV REIT is focused exclusively on acquiring veterinarian-centric real estate on a national basis. This strategic joint venture builds on Kovitz's long track record of success in real estate investing, enhancing USV REIT's acquisition strategy and diversifying Kovitz's private real estate fund solutions.
