

## Winston represented DRONE VOLT in its rights issue on Euronext Growth

JULY 26, 2024

Winston represented DRONE VOLT, an expert in embedded artificial intelligence and a manufacturer of professional civilian drones, in its capital increase with shareholders' preferential subscription rights (rights issue) on Euronext Growth, for a total gross amount of approximately €2.3 million, which could be increased to €2.6 million if the extension clause is fully exercised. The offer was open from July 17 to July 26, 2024.

Founded in 2011, DRONE VOLT is an aeronautics manufacturer specializing in professional civilian drones and artificial intelligence. DRONE VOLT is established in Europe (France, Benelux, Denmark, Switzerland), North America (Canada, United States), and Indonesia. As a global partner, DRONE VOLT offers its clients turnkey business solutions, including various services and drone pilot training. The DRONE VOLT Group, a member of GICAT, achieved a turnover of 24 million euros in 2023, with annual growth of 74%.
