## SEPTEMBER 17, 2024, 12:00 PM - 1:00 PM

Partner Richard Weber and the Coalition Against Financial Crime presented a webinar that delved into the complexities surrounding the detention of Tigran Gambaryan, head of financial crime compliance at Binance, by the Government of Nigeria. The panel featured Stephen Sargeant, founder of Airdropd; Kevin Wadiak, senior manager of BSA/AML governance and oversight at GreenDot; and Sanjeev Menon, managing partner at Madison Davis.

Winston is proudly representing the Armenian Bar Association as pro bono counsel in their efforts to secure Gambaryan's release.
